LICENSE AGREEMENT FOR
BALCONIES PROJECTING INTO ROW

THIS LICENSE AGREEMENT, made and entered into this the ____ day of _____, 20__, by and between the **CITY OF DURHAM**, a municipal corporation ("the City"), and **CHURCH AND MAIN ASSOCIATES, LLC**, ("the Licensee");

WITNESSETH:

In consideration of the performance of the conditions hereinafter set forth on the part of the Licensee, the City of Durham hereby grants to the Licensee, a license to construct and maintain balconies projecting into the right-of-way at 126 and 130 East Main Street (0821-12-96-6834 and 0821-12-96-6864). Hereinafter, the balconies projecting into the right-of-way shall be referred to as ("the System") which is made a part of this License Agreement.

The Licensee expressly agrees:

(1) That the installations will be in accordance with the approved plan. Modifications to the plan must be approved by the City Engineering Division.

(2) The work is to be inspected by, and shall conform to the requirements of, the City Engineering Division.

(3) The Licensee will assume the cost of installation, maintenance, and repair, including the cost of repairs to the street and pavement associated with the installation, maintenance, and repair of the System.

(4)(a) To the maximum extent allowed by law, Licensee shall indemnify and save harmless Indemnitees from and against all Charges that arise in any manner from, in connection with, or out of this license (including but not limited to the constructing, maintaining, or repairing the pavement or street and in the installation, preparation, maintenance, or repair of the Systems) as a result of acts or omissions of Licensee or subcontractors or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. In performing its duties under this subsection "a", Licensee shall at its sole expense defend Indemnitees with legal counsel reasonably acceptable to City of Durham ("City").

(b) Definitions. As used in subsections "a" above and "c" below--"Charges" means claims, judgments, costs, damages, losses, demands, liabilities, obligations, fines (including but not limited to those levied by the N.C. Department of Natural Resources and Community Development), penalties, royalties, settlements, and expenses (including interest and reasonable attorneys' fees assessed as part of any such item); and "Indemnitees" means City and its officers, officials, independent contractors, agents, and employees.

(c) Limitation of Licensee's Obligation. Subsection "a" above shall not require the Licensee to indemnify or hold harmless the City, its independent contractors, agents, employees, or indemnitees against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence, in

whole or in part, of the City, its independent contractors, agents, employees, or indemnitees.

(5) If the City notifies the Licensee that the City will change the grade of the street or perform any work on said street that may interfere with the System, the Licensee shall make such changes and relocations at the Licensee's expense as may be necessary so that the System will not interfere with, in any manner, such street work.

(6) At its own expense, the Licensee shall, upon the request of the City, relocate the System if it interferes with the construction, installation, repair, or maintenance of any underground utilities of the City.

(7) This license conveys no real property right or interest in any street or sidewalk area.

(8) The City may revoke this license upon ninety (90) days written notice. Within ninety days of receipt of such notice, the Licensee shall remove, at its expense, all materials, equipment, and supplies belonging to it and shall leave the site in as neat, safe, and undamaged condition as it was upon receipt of the notice.

(9) This license agreement is not transferable and when the property changes ownership, then the new owner will be responsible for either removing the System or applying for a new license agreement.

(10) E-Verify Compliance. The contractor represents and covenants that the contractor and its subcontractors comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes (NCGS). The City is relying on this E-Verify Compliance section in entering into this contract. The parties agree to this section only to the extent authorized by law. If this section is held to be unenforceable or invalid in whole or in part, it shall be deemed amended to the extent necessary to make this contract comply with NCGS 160A-20.1(b).
